Social Security Deduction Application

In working with the Centers for Medicare & Medicaid Services and the Social Security Administration, WyoBlue Advantage offers you the opportunity to have your monthly premium automatically deducted from your Social Security check. You may already use this option to pay your Part B premium.

The Social Security deduction offers the convenience of paying your monthly premium on time, every time. There is no need to write checks, mail payments, or worry about late payments. If you would like to have your premium deducted from your Social Security check, please complete this form and mail to:

WyoBlue Advantage
PO Box 21451
Eagan, MN 55121
Fax: (855) 636-8299

Do not send your premium payment with this form. Please send your payment to the address on your payment coupon.

It could take up to three months before you start seeing premiums withheld from your Social Security payment. Make sure to pay any premium bills you receive by mail until the Social Security deductions take effect. Once premium withhold starts, all of the premiums you owe will be withheld at once. If you owe more than \$300 in premiums, Social Security will not withhold these amounts. In these cases, WyoBlue Advantage will contact you.
