WyoBlue Advantage PPO Provider Directory

This directory provides a list of WyoBlue Advantage PPO's network providers.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Out-of-network providers are under no obligation to treat WyoBlue Advantage PPO members, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at:

WyoBlue Advantage PPO Plans 1-844-682-9966	Available from 8 a.m. to 8 p.m. Mountain time, seven days a week from October 1 – March 31. Available from 8 a.m. to 8 p.m. Mountain time, Monday through Friday from April 1 – September 30. (TTY users should call 711)

You may also refer to your *Evidence of Coverage* (EOC) for more information, including the cost-sharing that applies to out-of-network services.

If you receive medical services within the WyoBlue Advantage PPO service area, most will be covered at in-network levels. Services you receive from out-of-network providers will be covered at out-of-network levels and you may pay more out-of-pocket costs than if you choose an in-network provider, with the exception of emergencies and urgent care.

If you need out-of-network medical care, you may go to any doctor or hospital that accepts Medicare; however, you may pay more out-of-pocket costs. To find a doctor or hospital near you, call our Customer Service department at the number listed above.

If you receive care from an out-of-network or non-contracted provider, the provider may bill you for the services you receive. Do not pay the bill. Please mail your itemized bill along with your name and contract number to us so we can review it for payment. Mail the information to:

Customer Service Inquiry Dept.

WyoBlue Advantage Member Correspondence
P.O. Box 21451
Eagan, MN 55121

If you need emergency care, call 911 or go directly to an emergency room. If you are admitted to the hospital for the same condition within three days of your emergency room visit, you do not have to pay the emergency room copay. Emergency care can always be obtained in or out of the service area from the nearest available provider. You're also covered for emergency and urgent care worldwide. You may have to pay for the care you receive and seek reimbursement from us. See your *Evidence of Coverage* for more information.

When out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

Introduction

WyoBlue Advantage PPO Pharmacy Directory

This booklet provides a list of WyoBlue Advantage PPO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and WyoBlue Advantage PPO's formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means WyoBlue Advantage. When it refers to “plan” or “our plan,” it means WyoBlue Advantage PPO.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under WyoBlue Advantage PPO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/21/2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be lower at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with “P” to distinguish them from other pharmacies in our network that offer standard cost sharing. Pharmacies that offer standard cost sharing are labeled with “S”. Cost sharing information can be found in the Summary of Benefits.
You can get prescription drugs shipped to your home through our network mail order delivery program, Optum® Home Delivery. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Albany, Big Horn, Campbell, Carbon, Converse, Crook, Fremont, Goshen, Hot Springs, Johnson, Laramie, Lincoln, Natrona, Niobrara, Park, Platte, Sublette, Sweetwater, Teton, Uinta, Washakie and Weston counties, which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory, please call Customer Service at 1-844-682-9966. TTY users should call 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact WyoBlue Advantage PPO.

Optum Rx® is an independent company providing home delivery pharmacy and other pharmacy benefit management services to WyoBlue Advantage.

You can get prescription drugs shipped to your home through our network mail order pharmacies. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at the Customer Service number on the covers of this booklet.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Optum® Home Delivery 24 hours a day, 7 days a week at 1-855-205-4426.

For additional information on home infusion pharmacy services in our network, please call our customer service number on the back of your ID card.
